

# The Cingo Gap

Filling the gap between Compliance, IT, and Cybersecurity

**Cingo Solutions is a SIEM-level, SOC-certified Cybersecurity and Compliance company. We specialize in enforcing compliant Technological Business Operations and high-scale MSSP work.**

SOC 2 TYPE 2

CERTIFIED

# Most clients save 15-20% on true IT costs. How much can Cingo save you?

## Compliance

Cingo Solutions is a trusted security partner in essential industries, such as Financial- Bank, Healthcare, Nonprofit, Accounting, E-commerce, Legal, and Manufacturing. Non-Compliance is not an option for any business.

## IT

Most clients save 15-20% on True IT costs - how much can Cingo save you? We differ from MSPs and IT by constantly working to save your organization money and provide the best service.

## Cybersecurity

Cingo finishes the Gap by supplying the highest level of cybersecurity offered in the market. We are in the business of protecting your business from cyber crime.

## TRY THE CINGO CHALLENGE TODAY!

**Our non-partial and SOC2 certified team will spend one week on site assessing your company's cybersecurity, compliance, HR, IT, IT Expenses, Insurance, and SOP's.**

**If no violations are found, your findings are free!  
In the case of violations, payment and protection plans will be discussed.**
